

Summer School of Italian Language 2023
15th edition

***COUSE OF STRENGTHENING OF THE ITALIAN LANGUAGE
for girls and boys entering primary school in September 2023***

Dear Parents,

the Municipality of Ferrara, the Viale K Onlus Association and the Coop. The Association Il Germoglio, in collaboration with the Govoni Comprehensive Institute and other local bodies, this year want to experiment, within the framework of the activities of the Italian Summer School, an in-depth study of the Italian language aimed at boys and girls who have finished this kindergarten year and will start the Primary school in September.

Especially, the course is aimed at **multilingual children born in families of foreign origin who show a greater need to strengthen the spoken Italian language and its understanding**. Its goal is to enhance communication and expression skills and learning to be able to face the beginning of primary school with greater competence.

It is important to know Italian better to learn and have greater academic success, although it is still very useful and important to know and speak the language or languages of the parents.
